SPECIAL NOTICE:

This is a CONDOMINIUM PROJECT, not a subdivision. THERE ARE COUNTY RESTRICTIONS ON THE NUMBER OF DWELLING UNITS, OR OTHER STRUCTURES, WHICH MAY BE BUILT UPON THE PROPERTY. THEREFORE, UNLESS THE PURCHASER IS PURCHASING THE UNIT WITH THE DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A DWELLING UNIT ON THE PROPERTY. THERE ALSO IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO RESIDENTIAL USE. THE PURCHASER SHOULD CONSULT WITH THE APPROPRIATE COUNTY AGENCIES TO DETERMINE WHETHER THE PURCHASER MAY BUILD A DWELLING UNIT, OR ANY OTHER TYPE OF STRUCTURE, UPON THE PROPERTY.

1. Unit 1 contains one shade structure which may be defined as an "apartment" under the Condominium Property Act. Unit 2 contains a single family residence.
2. Issuance of an effective date for this Public Report does not constitute an approval of the project by the Real Estate Commission or other agency, nor does it imply that all County codes, ordinances or other requirements have been complied with.
3. This project does not involve the sale of subdivided lots. The land area beneath and adjacent to each unit, as shown on the Condominium Map, is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS, KAUAI COUNTY ORDINANCES AND STATE OF HAWAII LAWS REFERENCED IN THIS PUBLIC REPORT, AS WELL AS CONTACTING STATE AND LOCAL AGENCIES FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

|--|------------------------|--------------------------------|
| <input type="checkbox"/> Proposed | | |
| <input checked="" type="checkbox"/> Recorded - | Bureau of Conveyances: | Document No. 2005-078186 |
| | | Book Page |
| <input type="checkbox"/> Filed - | Land Court: | Document No. |

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

|--|--|
| <input type="checkbox"/> Proposed | |
| <input checked="" type="checkbox"/> Recorded - | Bureau of Conveyances Condo Map No. 3985 |
| <input type="checkbox"/> Filed - | Land Court Condo Map No. |

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

| | | |

| <input type="checkbox"/> Proposed | | |
| <input checked="" type="checkbox"/> Recorded - | Bureau of Conveyances: | Document No. 2005-078187 |
| | | Book Page |
| <input type="checkbox"/> Filed - | Land Court: | Document No. |

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed ☐ Adopted ☒ Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interests which must vote for or give written consent to changes:

|-----------------------------|-------------------------------|-------------------------|
| Declaration (and Condo Map) | 75%* | 75% |
| Bylaws | 65% | 65% |
| House Rules | ----- | ----- |

*The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer**

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. ☒ No variances to zoning code have been granted.
☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements:

| | <u>Conforming</u> | <u>Non-Conforming</u> | <u>Illegal</u> |
|------------|-------------------|-----------------------|----------------|
| Uses | X | | |
| Structures | X | | |
| Lot | X | | |

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interests:

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- ☒ described in Exhibit C.
☐ as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit E.

☐ as follows:

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit C.

☐ as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property on or your purchase and ownership of an apartment in the project.

Exhibit F describes the encumbrances against the title contained in the title report dated MAY 19, 2005 and issued by SECURITY TITLE CORPORATION.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

| <u>Type of Lien</u> | <u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u> |
|---------------------|---|
|---------------------|---|

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

NONE

2. Appliances:

NONE

G. **Status of Construction and Date of Completion or Estimated Completion Date:**

THE SHADE SHED ON UNIT 1 WAS CONSTRUCTED IN 2004. THE RESIDENCE ON UNIT 2 WAS CONSTRUCTED IN APPROXIMATELY 1988.

H. **Project Phases:**

The developer ☐ has ☒ has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliated is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

C. **Additional Information Not Covered Above:**

This is a condominium project, not a subdivision. Units purchased are not subdivided lots. To determine whether your expectations can be realized, you should carefully review the contents of this Report. You should also conduct your own investigations and ascertain the validity of information provided.

The prospective purchaser shall have the right to remodel or rebuild at purchaser's expense. The purchaser shall also, in such event, file the "as-built" certificate within thirty days of completion of the residence in conformance with Section 514A-12, Hawaii Revised Statutes, and record an amendment of the Declaration of Condominium Property Regime ("Declaration") to describe the residence. The County of Kauai Planning Department requires, in order to process the necessary permits for the construction of a residence, authorization from at least 75% of the legal and equitable ownership of the entire project, consistent with the Declaration and the Bylaws ("condominium documents"). Except as limited specifically by the condominium documents and house rules, all uses permitted in the residential zone are permitted.

A buyer should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots, and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

This Project is entitled to the construction of an "Additional Dwelling Unit," as defined by, described in and limited by the Revised Code of the County of Kauai, Section 2, Chapter 8, Article 26, and Section 8-3.3(d) of the same code. This means that only one residence can be constructed as a matter of right. The other residence has been constructed by compliance with the referenced sections of the Revised Code of the County of Kauai. Any owner of an Additional Dwelling Unit will be subject to all provisions of the Comprehensive Zoning Ordinance ("CZO") of the County of Kauai. The CZO may limit future expansion or reconstruction occurring on the ADU unit. The right to build a residence on the second Unit which desires to construct a residence will exist only so long as the ordinance is not amended or repealed; automatic expiration of the ordinance will occur December 31, 2006, unless extended by the affirmative action of the Kauai County Council or repealed before the scheduled expiration. The only protection a Unit Owner or purchaser will have that a second residence can be constructed is to obtain a building permit for the Additional Dwelling Unit prior to the expiration or earlier amendment of the relevant sections of the referenced ordinances.

Except as limited specifically by the condominium documents and subdivision restrictive covenants, all uses permitted in the residential zone are permitted. The prospective purchaser should consult the appropriate county agency for information on uses and construction in the residential zone.

A buyer should understand that all development and use of the property shall be in compliance with County codes and ordinances, that owners in this condominium project will not necessarily receive the same County benefits as owners of approved subdivided lots and that owners who develop their limited common element later than others may find that land use and zoning changes or insufficient utility capacities may thwart their expectations.

Due to the elevation of the property, booster pumps and storage tanks may be required by the County of Kauai to establish water service, or a private water system may be established as a common expense.

- D. The developer declares subject to the penalties set forth in Section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

SUMMARY OF SALES CONTRACT

This Project utilized a Condominium Addendum to Sales Contract (the "Addendum") to be used in conjunction with a standard printed form contract provided by the Hawaii Association of Realtors. The Addendum protects the rights of the Purchasers and the handling of the funds under the Condominium Property Act (the "Act"), as well as the insuring compliance with the Act by all parties. Relevant portions of the Addendum are summarized as follows:

1. The fact that the Act controls over any portion of a contract to sell a condominium unit.
2. That an effective date for a final or supplementary public report must be in place and a receipt for the same signed by the buyer to have an effective date.
3. That all purchaser funds must be held in escrow until the law allows closing and disbursement of the funds. The conditions precedent to release of the funds are enumerated, including in part:
 - a. That Purchaser will receive a copy of the final public report for the project.
 - b. That the Purchaser will be deemed to have had an opportunity to read the Final Public Report(s) within forty-eight (48) hours after receiving them, unless specifically indicated otherwise. Both Seller and Purchaser have the right to cancel the Contract at any time prior to the date when the Contract becomes effective. Seller and Purchaser also have the right to cancel the Contract at any other time explicitly stated by the Act.
 - c. Purchaser agrees that all payments made will be placed on deposit with escrow pursuant to the terms of the Escrow agreement, and Purchaser is subject to all of the terms of the Escrow Agreement.
 - d. If there is a dual agency by a single broker, it will be disclosed in the contract.
 - e. If the Purchaser shall default:
 - i. The contract may, at the Seller's option, be terminated by written notice to the Purchaser; and
 - ii. Any sums paid by the Purchaser shall belong to the Seller as liquidated damages (up to a maximum of 20% of the total purchaser price); and
 - iii. The Seller may pursue any other remedy, including specific performance, permitted by law or equity. All costs, including reasonable attorney's fees, incurred by reason of default by the Purchaser shall be borne by the Purchaser.

Further, if the Purchaser shall default in making any payment when due, a late charge of one percent (1%) per month shall accrue from the due date until such payment, together with such late charge, is paid, or at any time prior to the time that such payment and late charge is paid in full, the Seller may, at its option, terminate this contract as provided above.

f. If the Seller shall default:

In the event of default by the Developer, the Purchaser may cancel the contract, may bring an action for damages for breach of contract or seek specific performance under the contract and hold the Developer responsible for costs incurred (see paragraph C-29 of the Standard Form Deposit Receipt and Offer and Acceptance). Further, the Purchaser may resort to mediation and arbitration in the even of a dispute over the contract or a claimed default, as does the Developer.

SPECIAL NOTICE: THE FOREGOING SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL THE TERMS AND PROVISIONS CONTAINED IN THE CONTRACT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS, THE PURCHASER MUST REFER TO THE PURCHASER'S CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE CONTRACT, THE CONTRACT WILL CONTROL AND NOT THIS SUMMARY.

SUMMARY OF PORTIONS OF ESCROW AGREEMENT POIRSON ESTATES

The Escrow Agreement ("Agreement") between TITLE GUARANTY ESCROW SERVICES, INC. (the "Escrow"), and JOSEPH PAUL POIRSON, married, (the "Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

1. Whenever Seller enters into a sales contract for the sale of an apartment, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.
2. Escrow will receive payments under the sales contract and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project. Interest on all funds will be paid to Seller.
3. Escrow will release from the trust fund and disburse Buyer's funds at closing, unless: (a) Buyer has elected to cancel the contract as provided by HRS Section 514-A: 62 or 63 and receive all funds paid, with an Escrow cancellation fee of \$25.00 to \$250.00; or (b) the Real Estate Commission has not issued an effective date for a Final Public Report on the project or the Seller's requirements of the sales contract have not been met; or (c) Seller has not satisfied Escrow that all other requirements of Hawaii Revised Statutes have been met, in which case there shall be no escrow cancellation fee. Provisions of Hawaii's Owner-Occupant law to not apply to this project.
4. Escrow will return deposited sums to the Buyer without interest, if Seller and Buyer give Escrow written notice to return the funds to Buyer, if there is a right to cancellation and refund of monies under the sales contract or otherwise. If there is a cancellation under the seven-day right, no fees will be charged Buyer. Thereafter, in the event of a cancellation as a matter of agreement or right, Buyer's funds shall be returned to Buyer less Escrow's cancellation fee, if any, and all other costs incurred in connection with the Escrow, not less than \$25.00 nor more than \$250.00. If Buyer defaults for more than ten days in performing the purchase contract, Buyer will forfeit all deposits as liquidated damages.
5. Escrow will arrange for and supervise the signing of all documents, which are to be signed subsequent to and contemplated by the sales contract.
6. As Escrow's compensation for its performance under this Agreement, Escrow will receive its schedule rate for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. The cost of title insurance will be an additional amount, based upon schedule rate.

NOTE: Section 514A-63, Hawaii Revised Statutes, provides rescission rights to a purchaser under a binding contract if there is a material change in the Project which directly, substantially and adversely affects the use or value of (1) such purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the project for such purchaser's use.

SPECIAL NOTICE: THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, ONE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.
